**Summary:**

Of the sixty-four(64) senior executives of the major television broadcast networks, cable networks, and production companies, fifty-seven(57) are Jews or have Jewish spouses. This is a numerical representation of 89%. Jews are approximately 2% of the U.S. population.\* Therefore Jews are over-represented among the senior executives of the major television broadcast networks, cable networks, and production companies by a factor of 44.5 times(4,450 percent).

\* Jewish Population of the United States by State:
